

1289 Amosfield Road Liston NSW

We have just listed this lovely 8.45 hectare block, 'WICKETS', set just over the border in NSW and within 14 kms of Stanthorpe Post Office.

Drive in the front gate and admire the lovely old gum trees. You'll find a good sized dam with plenty of catchment plus a dredge hole in Herding Yard Creek. The owner is leaving a set of steel cattle yards and poly pipe main line from the dam to the shed.

Stay overnight in the shed fitted out with kitchen, bathroom, open living area with wood heater and attached is a 10m x 4m storage area. Council has confirmed a dwelling is permissible on the lot.
