

23 Teale Rd The Summit QLD

Only a short walk from the Post Office and General Store at The Summit.

This great 3.43 hectare block has it all, plenty of room for the kids to run around or run a few head of cattle or sheep or maybe the kids pony.

There is plenty of water from the huge dam at the front and power is right out the front and the block has full bitumen road frontage.

Blocks like this do not exist in today's market so don't delay in contacting Scott Mann on 0427 814 444.
