

37A Lock Street STANTHORPE QLD

3  1  1 

Located a stones throw from shopping centres and the main street, this home has a Mediterranean holiday home feel to it and could be your own private Villa with views to the town.

Strongly built, this split level, double brick home is situated towards Mt Marlay and is in a very handy position. Leave the car at home and walk to town.

Having three bedrooms, two with built-in robes, open plan kitchen, dining and living with wood heater, single car lock up garage and the potential for a 'Granny Flat' beneath the house with shower and toilet already plumbed (not connected), this would make a great investment property or possibly weekend accommodation.
