This 3 bedroom, 1 bathroom (with separate toilet) home situated in Amiens offers peaceful living and only 15 minutes drive to Stanthorpe. 2 bedrooms have large built in wardrobes, wood heating in the open plan living room. The home has had new flooring installed. The veranda is a perfect spot to relax with morning coffee. There is a separate garage and additional enclosed structures in the large, unfenced yard. The house is adjacent to a vegetable-growing paddock, so some machinery noise could be expected seasonally, however the home is quite private.

Tenants can enjoy walks around the entire farm, but driving around is not permitted. Water to the house is sourced from a large, shared tank. Should this water run out, the water switches to treated dam water. It is the tenant's responsibility to take their household waste to the skip bin on site, approximately 100m from the house (or use the local Amiens facility). Telephone signal is
