

**25556 New England Hwy Applethorpe QLD**

Acreage blocks just don't come on the market very often. This block is located right beside the Applethorpe State School and offers plenty of room to build your dream home.

Nice easterly aspect and power onto the block plus a small dam at the rear of the block.

Now's the time to enjoy country living at an affordable price.

Inspection a must by phoning Scott Mann on 0427 814 444.
